Champagne Pol Roger was founded in 1849.

No7's love for Pol Roger has been historic; Graham first stocked it in pubs even before opening the restaurant 25 years ago and it remains the favoured tipple at special family occasions to this day.

The fine bubbles and fresh flavour of all Pol Champagnes are at the core of this love affair. Just after WWII, Sir Winston met Odette Pol Roger who encapsulated his romantic vision of France and they became lifelong friends. For the remainder of his life Pol Roger became his Champagne of choice, ensuring it was poured at all of his engagements.
